SCHOOL
REPORT
CARD**

GRADES : K 1 2 3 4 5 6

State and federal laws require public school districts to release report cards to the public each year.

Starting in 2009, charter school information is included in district statistics.

STUDENTS

RACIAL/ETHNIC BACKGROUND AND OTHER INFORMATION													
	White	Black	Hispanic	Asian/ Pacific Islander	Native American	Multi racial /Ethnic	Low- Income Rate	Limited- English- Proficient Rate	High Sch. Dropout Rate	Chronic Truancy Rate	Mobility Rate	Attendance Rate	Total Enrollment
School	82.0	6.4	8.3	2.1	0.3	0.9	13.5	2.4		0.0	10.0	94.8	327
District	55.2	23.9	16.2	1.0	0.3	3.5	29.0	7.4		0.0	10.9	95.0	1,878
State	53.3	19.1	20.8	4.1	0.2	2.5	42.9	8.0		3.7	13.5	93.7	2,070,125

Low-income students come from families receiving public aid; live in institutions for neglected or delinquent children; are supported in foster homes with public funds; or are eligible to receive free or reduced-price lunches.

Limited-English-proficient students are those students eligible for transitional bilingual programs.

Mobility rate is based on the number of times students enroll in or leave a school during the school year.

Chronic truants are students who are absent from school without valid cause for 18 or more of the last 180 school days.

INSTRUCTIONAL SETTING

PARENTAL CONTACT*		STUDENT-TO-STAFF RATIOS			
	Percent	Pupil- Teacher Elementary	Pupil- Teacher Secondary	Pupil- Certified Staff	Pupil- Administrator
School	100.0	--	--	--	--
District	100.0	15.7		10.9	187.8
State	96.7	18.4		13.3	201.8

* Parental contact includes parent-teacher conferences, parental visits to school, school visits to home, telephone conversations, and written correspondence.

				TOTAL	\$20,852,437		

OTHER FINANCIAL INDICATORS				
	2006 Equalized Assessed Valuation per Pupil	2006 Total School Tax Rate per \$100	2007-08 Instructional Expenditure per Pupil	2007-08 Operating Expenditure per Pupil
District	\$239,394	4.08	\$6,298	\$10,695
State	**	**	\$6,103	\$10,417

** Due to the way Illinois school districts are configured, state averages for equalized assessed valuation per pupil and total school tax rate per \$100 are not provided.
Equalized assessed valuation includes all computed property values upon which a district's local tax rate is calculated.
Total school tax rate is a district's total tax rate as it appears on local property tax bills.
Instructional expenditure per pupil includes the direct costs of teaching pupils or the interaction between teachers and pupils.
Operating expenditure per pupil includes the gross operating cost of a school district excluding summer school, adult education, bond principal retired, and capital expenditures.

ACADEMIC PERFORMANCE

OVERALL STUDENT PERFORMANCE

These charts present the overall percentages of state test scores categorized as meeting or exceeding the Illinois Learning Standards for your school, district, and the state. They represent your school's performance in reading, mathematics, and science.

The 2007-08 school year was the first time that Limited English Proficient (LEP) students took the ISAT or PSAE (with accommodations) instead of the IMAGE test. Therefore, any comparisons with prior year's achievement levels for LEP students should be made with appropriate caution.

OVERALL ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT) PERFORMANCE

ISAT PERFORMANCE

These charts provide information on attainment of the Illinois Learning Standards. They show the percents of student scores meeting or exceeding Standards for the grades and subjects tested on ISAT.

PERFORMANCE ON STATE ASSESSMENTS

Federal law requires that student achievement results for reading, mathematics, and science for schools providing Title I services be reported to the general public.

The Illinois Standards Achievement Test (ISAT) is administered to students in grades 3 through 8. The Prairie State Achievement Examination (PSAE) is administered to students in grade 11. The Illinois Alternate Assessment (IAA) is administered to students with disabilities whose Individualized Education Programs (IEPs) indicate that participation in the ISAT or PSAE would not be appropriate.

Students with disabilities have an IEP (No Child Left Behind Act). An IEP is a written plan for a child with a disability who is eligible to receive special education services under the Individuals with Disabilities Education Act.

Reading and Mathematics are tested in grades 3 through 8 and 11. Science is tested in grades 4, 7, and 11.

In order to protect students' identities, test data for groups of fewer than ten students are not reported.

ILLINOIS STANDARDS ACHIEVEMENT TEST (ISAT)

The following tables show the percentages of student scores in each of four performance levels. These levels were established with the help of Illinois educators who teach the grade levels and learning areas tested. Due to rounding, the sum of the percentages in the four performance levels may not always equal 100.

- Level 1 -- Academic Warning - Student work demonstrates limited knowledge and skills in the subject. Because of major gaps in learning, students apply knowledge and skills ineffectively.
- Level 2 -- Below Standards - Student work demonstrates basic knowledge and skills in the subject. However, because of gaps in learning, students apply knowledge and skills in limited ways.
- Level 3 -- Meets Standards - Student work demonstrates proficient knowledge and skills in the subject. Students effectively apply knowledge and skills to solve problems.
- Level 4 -- Exceeds Standards - Student work demonstrates advanced knowledge and skills in the subject. Students creatively apply knowledge and skills to solve problems and evaluate the results.

2009 ADEQUATE YEARLY PROGRESS (AYP) Status Report

Is this school making Adequate Yearly Progress (AYP)?	Yes
Is this school making AYP in Reading?	Yes
Is this school making AYP in Mathematics?	Yes

Has this school been identified for School Improvement according to the AYP specifications of the federal No Child Left Behind Act?	No
2009-10 Federal Improvement Status	
2009-10 State Improvement Status	

	Percent Tested on State Tests				Percent Meeting/Exceeding Standards *						Other Indicators			
	Reading		Mathematics		Reading			Mathematics			Attendance Rate		Graduation Rate	
	%	Met AYP	%	Met AYP	%	Safe Harbor Target **	Met AYP	%	Safe Harbor Target **	Met AYP	%	Met AYP	%	Met AYP
State AYP Minimum Target	95.0		95.0		70.0			70.0			90.0		78.0	
All	100.0	Yes	100.0	Yes	93.3		Yes	95.5		Yes	94.8	Yes

Native American														
Multiracial /Ethnic														
LEP														
Students with Disabilities														
Economically Disadvantaged														

Four Conditions Are Required For Making Adequate Yearly Progress (AYP):

1. At least 95% tested in reading and mathematics for every student group. If the current year participation rate is less than 95%, this condition may be met if the average of the current and preceding year rates is at least 95%, or if the average of the current and two preceding years is at least 95%. Only actual participation rates are printed. If the participation rate printed is less than 95% and yet this school makes AYP, it means that the 95% condition was met by averaging.
2. At least 70.0% meeting/exceeding standards in reading and mathematics for every group. For any group with less than 70.0% meeting/exceeding standards, a 95% confidence interval was applied. Subgroups may meet this condition through Safe Harbor provisions. ***
3. For schools not making AYP solely because the IEP group fails to have 70.0% meeting/exceeding standards, 14% may be added to this variable in accordance with the federal 2% flexibility provision.
4. At least 90% attendance rate for non-high schools and at least 78% graduation rate for high schools.

* Includes only students enrolled as of 05/01/2008.

** Safe Harbor Targets of 70.0% or above are not printed.

*** Subgroups with fewer than 45 students are not reported. Safe Harbor only applies to subgroups of 45 or more. In order for Safe Harbor to apply, a subgroup must decrease by 10% the percentage of scores that did not meet state standards from the previous year plus meet the other indicators (attendance rate for non-high schools and graduation rate for high schools) for the subgroup. For subgroups that do not meet their Safe Harbor Targets, a 75% confidence interval is applied. Safe Harbor allows schools an alternate method to meet subgroup minimum targets on achievement.

PLANNED IMPROVEMENT FOR THE SCHOOL AND DISTRICT

Assessment information provided by the Illinois Standards Test of Achievement, indicates that Southwest School students show evidence of continued academic success. In grades three through six, 87 to 97% of students meet or exceed state standards in the area of reading, 85 to 97% meet or exceed in the area of math, and 98% of the fourth grade students meet or exceed in area of science. Based on our School Improvement Plan, the areas of review for planned improvement are teaching and learning, student progress and achievement, and the learning community.

In the area of teaching and learning, we will engage instructional strategies that address all student learning styles and interactive behaviors that support effective student learning. These strategies and behaviors include:

- implementing the Response to Intervention process in all grade levels using an Three-Tiered Early Intervention Model
- implementing the literacy strategies and assessments presented through the newly adopted district reading series, *Treasures*, at all grade levels
- providing staff development opportunities to ensure instructional delivery and behaviors that maximize student learning
- continuing a school-wide behavioral support system (PBIS)
- continuing a school-wide math fact mastery incentive program.

In the area of student progress and learning, we will strive to align all curricular areas with state goals and standards, review and analyze all assessment systems, and continually monitor and assess student work. This will be accomplished through the following:

- administering benchmark assessments to all students three times a year in the areas of reading, mathematics (grades K-6) and language (grades 3-6) to monitor student progress and acquisition of skills
- analyzing individual student progress using Curriculum-Based Measurement to determine remediation needs and other appropriate support in the area of reading at all grade levels
- continuing to review and analyze results of Measures of Academic Progress (MAP) and ISAT to identify specific skills and objectives needing more instructional focus.

In the area of learning communities, we will continue to recognize leadership potential, professional development, and community participation within the school. This will be addressed through the following:

- continuing the use of community information sources (i.e. newsletters, brochures, etc.)
- providing opportunities for community visitation during the school day (i.e. Open House visitation, Young Authors' Day, American Education Week breakfast, etc.)
- offering parent workshops or informational meetings focusing upon literacy, science, and character education (i.e. *Parent Partners*, Family Science Night).
